## Snake Creek and Berea Lead in the County Ball League

Berea swamped Pleasant Hill 28 to 0 in the second game of the season, at Pleasant Hill. Snake Creek took a hard fought game from the Red Sox, 8 to 9, in the closest county league game. This was on the Red Sox diamond. Lawn took a tough game from Fairview, 19 to 15, after Fairview had crossed the plate nine times in the first inning. Ash Grove took the long end of the score from Marple, 10-5. Good crowds attended all of the games, there being two hundred at the Berea-Pleasant Hill battle. A. Mundt, pitcher for the Berea team let Pleasant Hill down with two hits, both of which were made by B. Abram. With the score tied at three all at the end of the sixth inning, Ash Grove ran in seven runs and maintained this lead to the end of the game, easily defeating Marple.

These games leave Snake Creek and Berea tied for first with two wins and no losses. These teams meet May 21, and if neither is defeated before this time, this game will be watched with interest. Snake Creek meets Ash Grove, a team previously defeated by Berea, but which has since defeated Marple, on Sunday, May 14. This will help to get a line on the respective strength of the two teams.

The standing of the teams is as follows:

Team	W	L	Pct.
Berea	2	0	1000
Snake Creek	2	0	1000
Ash Grove	1	1	500
Lawn	1	1	500
Marple	1	1	500
Red Sox	1	1	500
Fairview	0	2	000
Pleasant Hill	0	2	000

## Joe Kase Appears as Likely Candidate for Olympic Honors

Joe Kase, formerly unknown, but now a likely candidate for Olympic honors, smashed the world's record in the 100 yard dash beyond repair when he negotiated this distance in a special event at the western Nebraska track meet last Friday afternoon. His time for the entire dash was nine and one-fifth seconds. (This time taken by Mr. Kase who noted the time when he started and when he finished from his ingersoll.) Only four entered the race with this now famous speedster, the three being "Bill" Harper, Glen "Flash" Sanders and "Speed" Neiman. It is not known as yet whether the record will be accepted as good by the A. A. U., as there was a slight wind behind the runners. The starter claims, however, that sensing a new record, he waited for the wind to die down before he started the men. Mr. Kase states that had he been pushed he is sure he could have traveled the route in nine seconds flat. All of the runners were in street clothes; due to the fact that the race was a rather impromptu affair. Should Mr. Kase get slightly more back to nature, there is little doubt but that he could have lowered his new record at least two seconds.

The race as a matter of fact was gotten up rather in the spirit of fun, each man "chipping in" until a pot of \$3.50 was raised. This was to go to the winner, and but for the fact that W. R. Pate worked on the sympathies of the stake holder, Rev. B. J. Minort, and got him to donate the money to the high school athletic fund, it would have. More talent was uncovered when it was found that Mr. Kase was unable to catch the sky pilot, who promptly left the field. Had Rev. Minort been in the race there is no way of telling what heights of terrific speed might have been reached. However, Mr. Kase has the honor, and the high school has the money, so all's well.

## Omaha Central Shows Up Well in School Meet

Omaha Central conclusively demonstrated that they will make them all step in the state meet from the results of the Omaha inter-school track meet. Price, Omaha Central colored sprinter, set a new record of 22 seconds in the 220-yard dash and also broke the tape in the 440 in 49 2-5 seconds. These records are of course not to be taken at face value as they were made with a strong wind behind the runners. Ordinarily the dusky sprinter would probably run the 440 around 53 seconds, and the 220 in about 25 seconds. All the records are very good, however, and the team that beats Central will know that they have at least been in a meet.

Wet wash calls received before 8:30 will be returned by 2 p. m. 20 lbs. for \$1. Alliance Steam Laundry. 38-4f

## Many Western Records Broken at Track Meet

The track meet Friday considerably changed the list of western Nebraska records, only six of the old records remaining unbroken. Dailey and Lingle brought the high hurdles record down with the state mark in this event. The two oldest records, the relay held by Alliance, and the broad jump record held by Semmons of Bayard were broken. All of the records standing at present were made either in '21 or '22. Semmons' record in the century dash equals the state record, while Lowry's mark in the javelin probably surpasses anything that has ever been made in the state, although this is not a state meet event. Following are the records:

- 100-yard dash—Semmons, Bayard, 10 1-5, 1921.
- 220 yard dash—Dailey, Alliance, 22 3-5, 1922.
- 440 yard dash—Strong, Alliance, 55 1-5, 1921.
- 880 yard run—Strong, Alliance 2:08 3-5, 1922.
- 1 mile run—Pruitt, Scottsbluff, 5:10, 1921.
- 120 high hurdles—Dailey, Alliance, and Lingle Morrill, 16 3-5, 1922.
- 220 low hurdles—Covington, Morrill, 27 3-5, 1922.
- Shot put—Campbell, Scottsbluff, 42 feet 3 1/2 inches, 1921.
- Pole vault—Lingle, Morrill, 10 feet 6 inches, 1921.
- Discus throw—Campbell, Scottsbluff, 104 feet 3 1/2 inches, 1921.
- High jump—Lingle Morrill, 5 feet 4 3-4 inches, 1922.
- Broad Jump—Lingle, Morrill, 20 feet 2 inches, 1922.
- Javelin throw—Lowry, Morrill, 160 feet 8 inches, 1922.
- Relay—Morrill, 1:39 2-5, 1922.

## Some Old Records May Be Broken at the State Meet

It seems likely, from reports coming in from over the state, that the record of the state track meet are likely to fall. One that seems most in danger is the broad jump, of twenty-one feet 2 1/2 inches. Rhodes of Ansley jumped 22 feet 1 inch in a meet lately, while Wier of Superior has equaled the record.

The 220-yard dash, which has stood since 1904 will also have a number of young athletes earnestly trying to ruin it, and as a number have been running this distance in about a fifth slower than the state mark of 22:2 it will at least be in danger. Dailey of Alliance, if in shape, will have a good chance to establish a new record. The high hurdles, another old record seems in danger, and this from Lingle of Morrill. Lingle was clocked with Dailey at 16 3-5, both equaling the record, while Lingle later in the day made it one fifth of a second less, but was disqualified for knocking down three hurdles.

The old record of 10 1-5 in the 100-yard dash is likely to be equaled, but will probably not be broken, for the high school athlete who can hang up a mark of 10 seconds under conditions such as prevail at the state meet is little short of a marvel. Rhodes of Ansley might break his own record in the pole vault, but this is unlikely. The 440-yard dash mark, which is not extremely fast might be broken.

Price, the Omaha Central negro, right account for a new record in this. Only one record was smashed last year, this being the pole vault. Rhodes of Ansley went over the bar at 11 feet 8 inches. A slow track probably forestalled other efforts, and this may again be the case.

## Wilbur Hi School Win the State '22 Pentathlon

Wilbur high school won the state interschoolastic pentathlon for 1922 with a team total of 15,596 points. This betters the mark hung up by Beatrice last year by 178 points. The record made by such an obscure team as the Wilburites is little short of marvelous, and the state meet will show definitely whether or not this team can duplicate their record. Beatrice, last year's champs, walked away with the state meet. It remains to be seen if the Wilbur athletes can repeat this feat. North Platte, finishing second, has some good men, particularly in Locke and Shaner, and will no doubt make any team in the state step.

The record of Ed Wier of Superior in rolling up a total of 4,781 points is one that will seldom if ever be duplicated.

- ### Records for 1922.
- 120-yard high hurdles—E. Weir, Superior, 16 2-5 seconds.
  - 220-yard dash—Locke, North Platte, 22 1-5 seconds.
  - 880-yard run—L. Price, Omaha Commerce, 2:05.
  - Shot put—C. Lewis, 46 feet, 8 inches.
  - Discus—C. Lewis, Lincoln, 119 feet 8 inches.
  - Pole vault—J. Rhodes, Ansley, 12 feet.
  - Broad jump—E. Weir, Superior, 22 feet, 2 1/2 inches.
  - High jump—E. Weir, Superior, 5 feet 8 1/4 inches.
- Of the eight events, the state record was broken in all but three. Locke of North Platte broke a record of long standing when he stepped the 220 in 22 1-5. The state record is 1-5 of a second slower. These records do not of course have any official standing as state records as the state records must be made at the state meet. Weir beat the state mark by an even foot when he broad-jumped 22 feet 2 1/2 inches. Weir also ran the high hurdles one-fifth of a second faster than the state mark.
- Ralph Garvin, of Alliance high finished twenty-first in the state, while Dailey was thirty-fourth, with Beal father down on the list. Strong was also in the honorable mention list. Dailey, Strong and Beal, have all made records since the closing of the pentathlon, which if they could have been included would have placed them much higher. Garvin's throw of 112 feet with the discus was the third best in the state, while Beal's record in the half mile was also third. The Alliance team as a whole finished eleventh in the state, of eighteen entries.

### 1922 Team Winners.

Winner	Points
Wilbur	15,596
North Platte	15,200
Aurora	15,114
Ansley	14,861
Cambridge	14,550
Gothenburg	14,506
Hastings	14,309
Columbus	14,233
Callaway	13,574
Lincoln	13,517 1/2
Alliance	12,818
Omaha Commerce	12,656
Bloomfield	12,633
Crete	12,130
Fremont	12,209 1/2
Friend	10,870
Bartley	10,143
Sterling	8,107

Tanlac is unquestionably the most widely talked of medicine in the world today and those who once use it invariably buy it over and over again and tell their friends of the splendid results they have derived from its use. F. E. Holsten. 47

Wet wash calls received before 8:30 will be returned by 2 p. m. 20 lbs. for \$1. Alliance Steam Laundry. 38-4f

It will be to your advantage to see me when you need a farm loan. E. C. Barker, First National Bank Bldg. 42tf

Can you drive mules without swearing? "Clarence" can. 47 Herald Want Ads are read.

The home owner can truly snap his finger at care, while the rent payer carries on his shoulders the yoke of servitude—a slave to his landlord.

The illustration might well read, "Which WILL you BE?" for the building situation is daily opening the eyes of hundreds of rent payers—the fact it costs no more to buy your own home (at the low cost of material and labor today) than your rent costs. And it's YOUR OWN HOME.

Let us prove to you the true economy of owning your home.
